## Parent Contract

1. I understand that it is my responsibility to provide the full names and telephone numbers of persons who are authorized to pick up my child(ren) from the centre.
2. I will notify the Site Supervisor of any changes to my contact information (including home, mobile, and business addresses/telephone numbers or my primary email address).
3. I will provide up-to-date medical information about my child(ren), notifying the Site Supervisor promptly of any change in medical information or allergies.
4. In the event of a life-threatening physical accident or illness, if I am not immediately available, I understand that the centre will have my child(ren) taken to the hospital's emergency department in the company of a staff member via the most appropriate method of transportation (ambulance or taxicab).
5. I will give the centre 2 weeks' written notice prior to withdrawing my child(ren) from the centre. If notice cannot be given, I understand that I will be responsible for up to 2 additional weeks of childcare fees.
6. I understand that it is my responsibility to abide by the schedule of care agreed upon at the time of enrolment. I will notify the Site Supervisor prior to adjustment if I require alterations to my schedule.
7. I understand that drop-off prior to my scheduled start time and/or pick-up after my scheduled end time will result in late fees being applied to my bill. I understand that recurring early drop-offs and/or late pick-ups may result in termination of childcare. I understand that late pick-ups in particular may prevent the educators from meeting their personal obligations after-hours.
8. I understand and agree to abide by the policies and procedures as outlined in the Parent Handbook (accessible at any time at [www.mahmowenchike.ca/parent-handbook](http://www.mahmowenchike.ca/parent-handbook) or a hardcopy can be obtained from the Site Supervisor upon request), including but not limited to:
  - a. Refraining from bringing toys and outside food into the centre;
  - b. The Code of Conduct and Conflict Resolution policies;
  - c. Confidentiality policies;
  - d. Illness and Exclusion policies (including reporting all communicable illnesses to the Site Supervisor for posting to other families to be aware of or to the TBDHU, if necessary);
  - e. Medication Administration policies;
  - f. Fee Payment policies.
9. I understand that Mahmowenchike Family Development Centre is closed on New Year's Day, Family Day, Good Friday, Easter Monday, Victoria Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, Christmas Day, and Boxing Day. I understand that the centre is closed for the same two-week period that the Thunder Bay Catholic District School Board is closed and may be closed on additional days throughout the year for staff professional development (ample notice will be provided).

**Parents are required to update the information on this application package as needed.**

### SUBSIDIZED FAMILIES ONLY

10. I understand that the TBDSSAB is responsible for paying Mahmowenchike the subsidized portion of the daily rate up to a maximum of 30\* absences per year for each child. Mahmowenchike will claim absent days for parents that are students during any breaks from school (March Break, Christmas Break). I understand that it is our full responsibility to make payment to Mahmowenchike Family Development Centre for our daily rate (parent portion) for these 30\* days and the full pay rate for any additional absences after absent days are exhausted. Requests may be made for the TBDSSAB to pay for additional absences required due to extraordinary circumstances must be submitted in writing and include the dates and reasons for absences (supporting documentation, such as medical documentation, is encouraged). The TBDSSAB reserves the right to deny requests for additional days.

\*Absent days are prorated based on enrolment schedule and start date within the year.

### FULL FEE FAMILIES ONLY

11. I understand that payment of childcare fees for any absences that occur on scheduled days for my child(ren) will be our full responsibility. I understand that payment of fees for absences holds my child(ren)'s space(s) in the program.

## Service Coordination in Childcare

The Thunder Bay District Social Services Administration Board (TBDSSAB), as Service System Manager, is responsible for the delivery of special needs services within the childcare programs through effective and efficient use of resources.

The TBDSSAB provides support and resources to families and their children through agreements and protocols with several agencies to provide enhanced services and support to childcare centres. The scope of the agreements includes:

- service coordination,
- program observations,
- consultation regarding child development,
- parenting support,
- intervention services,
- case management, and
- other global services.

The agencies include (but are not limited to):

- The Thunder Bay District Health Unit (TBDHU),
- Children's Centre Thunder Bay (CCTB),
- Dilico Anishinabek Family Care,
- Children's Aid Society,
- George Jeffrey Children's Centre, and
- St. Joseph Preschool Speech and Language Services.

In the event that a child requires further specific and individualized services, permission from the child's parent or legal guardian is required. Confidentiality will be maintained.

I, \_\_\_\_\_, have read the above and understand that childcare centres work collaboratively with agencies and services, some of which are listed above. I understand that if my child is to be referred for any specific or individualized services, separate permission will be obtained at that time.

## Enrolment During COVID-19 - WAIVER

During COVID-19, Mahmowenchike Family Development Centre's operations, policies, and procedures are adjusted in order to accommodate for enhanced cleaning protocols, infection prevention measures, and to ensure that we are in compliance with all relevant legislation and direction from the Thunder Bay District Health Unit.

It is imperative that parents and guardians with children attending Mahmowenchike during the COVID-19 outbreak understand and are aware of their roles and responsibilities in keeping our centre safe and healthy.

We will need to share the basic identification information (name and grade) of the children enrolled in our before and after school programs with the schools we are situated in so that in the case of a COVID-19 outbreak or if a child is sent home ill, we are able to communicate that effectively for contact tracing purposes.

**Child's Name:** \_\_\_\_\_ **Date of Birth:** \_\_\_\_\_

### Pre-Existing Conditions or Symptoms

Please indicate below if your child has a diagnosed pre-existing condition that may cause symptoms or ongoing symptoms that could be indicative of COVID-19 to present on an ongoing basis (i.e., asthma or seasonal allergies). This will allow us to create a baseline for your child to better determine the point at which they should be sent home for potential COVID-19 symptoms. **Please note** that indicating a symptom or condition below does not necessarily mean your child will not be sent home with that symptom if the advice of the TBDHU directs us to do so for the protection of all staff, families, and children.

I, \_\_\_\_\_, have read the *COVID-19 Handbook for Parents* and understand my roles and responsibilities in preventing the spread of COVID-19 at Mahmowenchike Family Development Centre. I understand that Mahmowenchike staff will take every precaution to prevent the spread of infection at the centres, however, I understand that they unfortunately cannot guarantee a COVID-19 infection will not take place.

## Sunscreen Permission Form

**Dear parents/guardians,**

With the arrival of summer-like weather, it is time to start putting sunscreen on the children before outdoor play.

We request that you sign the permission form below and return to your child(ren)'s educator(s) as soon as possible. **We will be unable to apply the sunscreen without your written permission.** If your child has allergies or sensitivities that you are aware of (or you would prefer to provide your own), parents/caregivers will be responsible for providing sunscreen that will be used only for your child.

We will be providing **Equate brand, SPF 50** sunscreen for centre use. Sunscreen is very important as we do spend most of our days outside during the summer months. We recommend a sunscreen with an SPF of 30 or higher for each child enrolled. If your family chooses to provide their own sunscreen, families with children in more than one program will be required to provide a separate bottle of sunscreen for each child.

You are also requested to provide a hat for your child and dress them appropriately for outdoor play and the day's weather conditions. A long-sleeved cotton shirt and pants will also help to protect your child from harmful UV rays. An extra change of clothes in case of mishaps will also be appreciated by your child and the program staff. **Miigwetch!**

I give permission to the staff of Mahmowenchike Family Development Centre to apply the sunscreen I have provided:
